ASCE SCHOLARSHIP PROGRAM – 2026

AMERICAN SOCIETY OF CIVIL ENGINEERS
WISCONSIN SECTION
SOUTHEAST BRANCH

PROCEDURES AND SELECTION CRITERIA

ELIGIBILITY: Student applicant must:

- be enrolled in a civil or architectural engineering curriculum at a school in the Southeast Branch area which has an active ASCE Student Chapter or Club;
- have reached at least sophomore status;
- be pursuing a bachelor degree and be least one semester (or two quarters) away from graduation. Graduate students and previous scholarship winners are not eligible.
- be a member of an active ASCE Student Chapter or Club.

CRITERIA: Scholarship recipients will be chosen based on the following selection criteria discussed in a maximum of 1,000 words:

- Active member in ASCE Student Chapter or Club
- Demonstrates the promotion and advancement of diversity, equity, and inclusion (DEI) within the civil engineering community
- Community involvement
- Leadership potential
- College GPA and extracurricular activities
- Preference may be given to members of historically underrepresented groups
- Financial need may be indicated but is not a major consideration.

SELECTION PROCEDURE: Once scholarship applications have been received, an initial screening will be performed by the ASCE Wisconsin Southeast Branch Scholarship Committee to determine scholarship finalists. These finalists may then be interviewed individually by the Committee. The Committee in cooperation with the Southeast Branch will then select awardees.

APPLICATION DEADLINES: The initial application forms must be received by the Scholarship Committee Chair on or before December 4, 2026.

AWARDS: Scholarship awards will be in the amount of $4,000. Up to three scholarships will be awarded (typically one each to Marquette, Milwaukee School of Engineering & UW-Milwaukee students at the Branch's discretion). Awards will be announced in early 2027, and winners will be recognized at the ASCE Wisconsin Southeast Branch Meeting in January or February 2027.
