On behalf of the Southeast Branch of the Wisconsin Section of the American Society of Civil Engineers (ASCE), we would like to invite you and your clients to participate in the ASCE Southeast Branch Scholarship Golf Tournament. Each year, the Southeast Branch provides scholarships to deserving civil engineering students from Marquette University, the Milwaukee School of Engineering (MSOE), and the University of Wisconsin - Milwaukee (UWM). Selected from dozens of applicants, one student from each of the three schools is honored with a \$2,500 scholarship and a fourth student from one of the three schools is provided with another \$2,500 scholarship.

To maintain the ability to award the scholarships, we are looking forward to a successful fundraising golf tournament with your help. Last year, we raised an amazing \$10,000! There are numerous ways for you to contribute to a great cause through participation in the day's events. Proceeds from the golf tournament will go to support the ASCE Wisconsin Section Southeast Branch Scholarship Fund.

On behalf of the Southeast Branch, we would like to thank you in advance for your generous support.
