

CREATIVITY BEYOND ENGINEERING

Construction Manager Job Posting – April 2019

raSmith is a multi-disciplinary consulting firm comprising civil engineers, structural engineers, land surveyors, development managers, landscape architects and ecologists. Our services are focused on our public and private sector client needs in design and construction including land development, site planning and design, structural engineering, municipal engineering, transportation and traffic, surveying, construction services and geographic information systems (GIS). We work on projects nationwide from our nine locations in Wisconsin, Illinois, California and Pennsylvania.

We currently have an opening for a Construction Manager in our Brookfield, WI market. The successful candidate will work with the Project Managers to help direct and coordinate construction inspection of raSmith projects. Responsibilities include leading the technical aspects of the project through innovative and creative solutions to overcome obstacles and ensure client satisfaction. This role also creates and maintains project schedules with Project Managers, stays on top of project budgets and directs engineers and technicians involved with projects. This position is also responsible for planning and executing QA/QC plans for individual projects and may be asked to represent the firm at meetings and conferences to resolve issues and coordinate work. The work will also involve maintaining client relationships, coordinating inspection of municipal or WISDOT projects and supervising compliance with specifications.

Successful candidates will have at least 10 years of progressive experience in construction design based engineering and construction inspection. A Bachelor of Science degree in Civil Engineering and a Professional Engineer (P.E.) registration in Wisconsin is preferred. Proficiency with AutoCAD Civil 3D software is also highly preferred.

Our corporate culture focused on client service, quality and tireless pursuit of excellence in all we do, as well as our friendly/family atmosphere that has led us to receive numerous awards, for both innovative projects as well as local and national recognition as a top employer.

Our firm is dedicated to finding quality candidates at all levels in all areas and we offer a generous compensation and a broad-based benefit package which includes the following:

- Health care
- Dental care
- Vision care
